

Indonesia Financing and Investment Forum 2018

4 April 2018
Grand Hyatt Jakarta, Indonesia

Key themes include:

- Opportunities and challenges across the Indonesian financing and investment landscapes
- The best infrastructure investment opportunities for the coming year?
- Can Indonesia embrace blockchain technology and how are traditional financial players responding to the challenge from FinTechs?
- Cash on Delivery or Digital Payments - how ready are Indonesians for digital payments, including those unbanked? And what are the opportunities for international players?

Attendance is free for corporates and investors
