

**Additional Information to Minister of Law and Human Rights (“MOLHR”) Reg No.11/2020  
and Director General of Immigration Circulation Letter No.IMI-GR.01.01-2325 of 2020**

Additional information that need to be taken into consideration relating to the content of the MOLHR Regulation mentioned above, are:

1. Applications for VTT (Limited Stay Visas) and other new Visas cannot be processed yet.
2. New foreign workers that already have a VTT in their passport are not allowed to enter yet.
3. All applications for new foreign workers that already have the VTT Approval from the KBRI (Embassy of the Republic of Indonesia) cannot be processed yet, except for the VTT for PSN (National Strategic Projects – with certain requirements) – awaiting further regulations.
4. Indonesian Representatives in other countries will reject all Visa applications except for the ones issued for the purposes of PSN (National Strategic Projects).
5. In order to extend an ITAS/ITAP whose validity period is to expire soon, the foreign worker holder of the ITAS/ITAP must be in the territory of the Republic of Indonesia and must immediately process the extension of their work permit in the Ministry of Manpower.
6. Foreign workers who are abroad and are holding an ITAS permit cannot process their extension in Indonesia without a Passport.
7. Foreign workers who are abroad and whose ITAS is still valid for a long period of time, will be extended by the company immediately after the foreign worker returns to Indonesia.
8. Foreign workers holding an ITAS who are to leave Indonesia are not required to EPO (exit permit only) and are not required to return their immigration documents.
9. Foreigners are not permitted to enter Indonesia, **except** for foreign workers who have a Limited Stay Permit/ Permanent Stay Permit whose MERP (Multiple Re-entry Permit) is still applicable.
10. Automatic extension under forced conditions is granted for all foreigners living in Indonesia for all Types of Visas.

Hope this suffices, apologies for any inconvenience caused.
