Dear Sir/Madam,

Since 2020, the spread of Covid-19 in Indonesia has continued to increase. In early 2021, there is a hope of reduction in Covid-19, due to Covid-19 Vaccination Program. The Indonesian Government has targets that 70 % of Indonesian people to be vaccinated to grow "herd immunity". For this reason, the Indonesian Government invites business people to be involved in Gotong Royong Vaccinations Program. Gotong Royong Vaccination Program is a vaccination program that company pays for the vaccination for their employee.

The Indonesian Chamber of Commerce and Industry in supporting the Indonesian government realizing national Covid-19 vaccination program and reaching herd immunity to accelerate national economic recovery and growth, collect a data for companies that voluntary participate in Gotong Royong Vaccination Program at the link: <http://vaksin.kadin.id> no later than February, 10th, 2021.

For further information regarding Gotong Royong Vaccination Program, could contact the hotline no. +62 8121-9173-177.

Thank you for your kind attention and cooperation.

The Indonesian Chamber of Commerce and Industry
Chairman

Rosan Perkasa Roeslani
